Monday.

Jonathan was the Keynote Speaker  
on Sunday evening at the **EPF  
Reception**, attended by @240  
supporters. The audience was  
revived and inspired after a difficult  
day of NO votes in the House of  
Bishops on resolutions in support of  
Palestinian human rights.

**A message from the convener, Anabelle Helsell:**

"Greetings from NYC PIN! We are a collective of Christians in the Episcopal Dioceses of New York and Long Island. While supporting PIN resolutions at General Convention, we are also planning to bring many similar legislative items to our Dioceses level this fall. Outside of convention, we are committed to creating programming to engage our fellow Christians on the Palestinian struggle for liberation.

So far, NYC PIN has been part of organizing a Prayer Service for the Holy Land, an ecumenical event co-hosted with the Evangelical Lutheran Church of America, at Church of the Ascension in Manhattan. Reverend Dr. Munther Isaac delivered the sermon from Jerusalem. Photos are below.

In May, PIN, along with the Episcopal Diocese of NY Young Adult Advisory Council (YAAC), hosted an open forum and Eucharist for young adults to discuss the ongoing genocide in Gaza, and our Church's response (or lack there-of). We are looking forward to putting on film screenings, inviting Palestinian faith leaders to lead us in prayer and mission, and becoming part of the wider PIN network."
